Cost Options

e-Bush learning gives school districts options for curriculum and enhancement.

Purchase by the Course

\$266 per student per 0.5 credit course

\$500 per student per 1.0 credit course

Each course includes onsite support, sample policies, a certified Kansas teacher, online and toll free support, online tutoring and other student services provided by Virtual Greenbush.

****Shipping and handling is 2% of purchase, no more than \$75.00.***

Course License

A course license provides unlimited access to each e-Bush online course to be facilitated by a local district teacher. This option includes set-up, one-day teacher training, sample policies, online and toll free teacher support. Additional training days are available at \$500/day, plus mileage and travel expenses of trainer. Call Virtual Greenbush today for additional information concerning hosting and licensing at 1-800-231-3056.

Virtual Greenbush & VRSchoolhouse

Through a unique and powerful partnership, Virtual Greenbush and VRSchoolhouse have worked closely together to develop an online learning system that gives schools choices. Virtual Greenbush, a program of the Educational Service Center @ Greenbush, is famous for quality customer service and exemplary training.

Advantages of Online Courses

- * *Expand Local Curriculum*
- * *Solve Teacher Shortages*
- * *Expand the School Day and School Year*
- * *Offer Comprehensive Summer School Program and Extended Learning*
- * *Reduce Student Scheduling Conflicts*
- * *High Touch with High Tech*
- * *Maximum Flexibility*
